

**RESERVOIR HIGH SCHOOL MUSIC DEPARTMENT
PARENT/GUARDIAN PERMISSION SLIP**

Please read and sign this permission slip and give it to your director at school.

Name of Student _____

Performing Area: choral / instrumental
 (circle one or both)

I give permission for my son/daughter to participate in the planned music trip to Chicago, IL on April 13 – April 17, 2011 and understand that further rules and regulations will be provided prior to the trip at the **Mandatory** Wednesday, April 6th Trip Pledge Night at 7:30pm. I accept full responsibility for my son/daughter as a participant in this program. I also authorize the music directors to be the parent representative for my son/daughter while on this trip. Furthermore, I recognize that once deposits and fees are paid to the Festival, contractors, and the bus company, there cannot be a refund for pre-paid services. I also understand that, upon the directors' and administrator's decision, if my son/daughter does not abide by the rules, she/he may be sent home at the my expense without dispute. I will also be financially responsible for the transportation costs of an adult chaperone to accompany my child if they are sent home.

Eligibility Policy: In order to be eligible for the Spring Trip, students must acquire no less than a 2.0 GPA with no failing grades (No E's) in the quarter preceding the trip. Originally, eligibility for the Spring Trip was to be based upon grades in the 3rd quarter; however, due to the abundance of snow days this year, the 3rd quarter was extended, causing final 3rd quarter grades to be determined while we are on the Spring Trip. Since we will not be able to use final 3rd quarter grades, eligibility will now be determined through the student's 3rd quarter interim grades. If the student fails to meet the eligibility requirements due to their interim grades, they are not completely ruled out of the spring trip. A progress report will be given to those students to update their grades in the remaining time before the trip. If the student improves his/her grades, the administration *may* approve the student as eligible for the Spring Trip.
